

Same job, less money!

Over the past 10 years the average school maintenance department has received 25% less funding. How do you do more with less? TeamWORKS has a wide breadth of experience and technology to help reduce cost by reducing waste. Work planning optimizes your manpower, preventive maintenance extends the life of your assets and event planning ensures you collect fees due for use of your valuable space and time. TeamWORKS also has tools to help curb spending for energy, inventory and other areas of operations and maintenance. Put TeamWORKS to work for you and discover how to do the same job with less money!

ABOUT TEAMWORKS

TeamWORKS is a software and solutions provider specializing in meeting the needs of Educational Facilities and Maintenance professionals. Our experience with K-12 and Higher education gives us an advantage over the competition. We have an in-depth understanding of the unique challenges faced by our clients in education systems. Put our experience and knowledge in your corner.

Created at the request of several K-12 maintenance directors, TeamWORKS was founded in July 2002 to fill a void in school's Facilities and Maintenance software and software services. Since that time, TeamWORKS has grown to serve school districts throughout the nation.
