

Assets

TeamWORKS asset solutions range from data collection and asset management software to bar coding and budget planning for capital assets. Get all the time and cost savings associated with tracking the lifecycle of your assets. From acquisition to disposal our solution allows you to compare equipment costs, track work history and budget for replacement. Smart decisions are based on history and good data.

ABOUT TEAMWORKS

TeamWORKS is a software and solutions provider specializing in meeting the needs of Educational Facilities and Maintenance professionals. Our experience with K-12 and Higher education gives us an advantage over the competition. We have an in-depth understanding of the unique challenges faced by our clients in education systems. Put our experience and knowledge in your corner.

Created at the request of several K-12 maintenance directors, TeamWORKS was founded in July 2002 to fill a void in school's Facilities and Maintenance software and software services. Since that time, TeamWORKS has grown to serve school districts throughout the nation.
