Mobile Work Orders

Mobile Work Orders allow you to manage your work orders while in the field. Users can create, manage and complete work orders while away from the office including all transactions making for efficient day to day operation. With a few screen touches work orders are completed virtually eliminating the need for additional resources to 'close' the work order. Designed to work with your Pocket PC device to meet your mobility needs. Add a scanner to your device and never type an Inventory ID number, Work Order number or Asset number again.

ABOUT TEAMWORKS

TeamWORKS is a software and solutions provider specializing in meeting the needs of Educational Facilities and Maintenance professionals. Our experience with K-12 and Higher education gives us an advantage over the competition. We have an in-depth understanding of the unique challenges faced by our clients in education systems. Put our experience and knowledge in your corner.

Created at the request of several K-12 maintenance directors, TeamWORKS was founded in July 2002 to fill a void in school's Facilities and Maintenance software and software services. Since that time, TeamWORKS has grown to serve school districts throughout the nation.
