

Preventive Maintenance

A well implemented Preventive Maintenance solution saves time and money. TeamWORKS has solutions ranging from PM software to services that populate PM tasks and schedules for your facilities and equipment. Once your schedules are created, they are Auto-generated based on frequency or run time intervals specified by you. TeamWORKS can help you pave the path to cost savings and increase equipment life span.

ABOUT TEAMWORKS

TeamWORKS is a software and solutions provider specializing in meeting the needs of Educational Facilities and Maintenance professionals. Our experience with K-12 and Higher education gives us an advantage over the competition. We have an in-depth understanding of the unique challenges faced by our clients in education systems. Put our experience and knowledge in your corner.

Created at the request of several K-12 maintenance directors, TeamWORKS was founded in July 2002 to fill a void in school's Facilities and Maintenance software and software services. Since that time, TeamWORKS has grown to serve school districts throughout the nation.
