

## Testimonial

---

**“I would recommend this product to any school district, large or small. TeamWORKS has everything we need to track work, run efficiency reports or schedule activities and does it affordably. In a time of constantly increasing costs for services and maintenance contracts, all money saved is appreciated, especially if you don’t have to compromise on the product.”**

## ABOUT TEAMWORKS

---

TeamWORKS is a software and solutions provider specializing in meeting the needs of Educational Facilities and Maintenance professionals. Our experience with K-12 and Higher education gives us an advantage over the competition. We have an in-depth understanding of the unique challenges faced by our clients in education systems. Put our experience and knowledge in your corner.

Created at the request of several K-12 maintenance directors, TeamWORKS was founded in July 2002 to fill a void in school’s Facilities and Maintenance software and software services. Since that time, TeamWORKS has grown to serve school districts throughout the nation.
