## Work Orders

**Work Orders are the backbone of any maintenance shop. TeamWORKS has the experience and the technology to deliver the work order solution that best fits your needs. TeamWORKS Software can be as simple as a hosted Web Work Order system to increase accountability and track expenditures or can be complex as a completely paperless mobile workforce who's work order system integrates with many other modules, applications and systems. TeamWORKS will work with you to develop the solution that best fits your needs.**

## ABOUT TEAMWORKS

TeamWORKS is a software and solutions provider specializing in meeting the needs of Educational Facilities and Maintenance professionals. Our experience with K-12 and Higher education gives us an advantage over the competition. We have an in-depth understanding of the unique challenges faced by our clients in education systems. Put our experience and knowledge in your corner.

Created at the request of several K-12 maintenance directors, TeamWORKS was founded in July 2002 to fill a void in school's Facilities and Maintenance software and software services. Since that time, TeamWORKS has grown to serve school districts throughout the nation.
